TIME: The 1977-1978 School Year

SETTING: Jackson Center High School  
Jackson Center, Ohio

The stage is any space where the action of a play can take place. It is not necessarily the raised platform at the end or at the side of a gym.

Stages, like people, come in all sizes and shapes. Our stage is Jackson Center High School

# THE STAGE

# PROLOGUE

*Each and every person you see in this yearbook has a character, a character that distinguishes him from anyone else. If by chance, you see an actor caught off guard and out of character, don't be surprised, for the best expression is one unrehearsed.*

*Every man has three  
characters — that which he  
exhibits, that which he has, and  
that which he thinks he has.*  
Alphonse Karr

# *ACT I*

# CAST AND CREW

*Every play must have its cast and crew — those people who dedicate themselves to the task of creating a dramatic work of art. This Jackson Center High School production of "The Roar" also has those people who were actively involved in this story of the 1977-1978 school year in Jackson Center.*

This year's class of 1978 began school in the fall of 1965. They were the first class in our school's history to have Kindergarten and attend school a full thirteen years. They were also successful in raising money. The class raised close to \$5,000.00 preparing for their class trip to Daytona, Florida. Some of their projects through the years have been bowl-a-thons, bake sales, car washes, and most importantly the magazine sale, where the members of the class sold approximately \$7,000.00 worth of magazines to the citizens of Jackson Center.

Senior year is one of mixed feelings. We can't wait to graduate, and yet we are afraid at the same time — not knowing what roles the future holds for us. Whatever it is, we will fulfill our roles, just as we did here as the "Stars" of Jackson Center High School. We face a new role in an un-named play — a play with the ending unknown until the final curtain.

But they also realize that someday they will be the stars.*

"Building a Bridge"

A pilgrim, going a lone highway  
Came at evening, cold and gray  
To a chasm, deep and vast and  
wide.

The old man crossed in the  
twilight dim.

The chasm held no fears for him  
But he paused when he reached  
the other side

And built a bridge to span the  
tide.

"Old Man," said a fellow pilgrim  
near,

"Why waste your time in building  
here?"

Your journey ends with the close  
of day

You never again will pass this  
way.

You've crossed the chasm deep  
and wide

Why build ye here at eventide?"

The pilgrim raised his old gray  
head,

"My friend, in the path I've  
come," he said,

"There followeth after me today

A fair haired youth who must  
pass this way.

The chasm which held no fears  
for me

To the fair haired youth may a  
pitfall be.

He, too, must cross in the twilight  
dim.

My friend, I am building this  
bridge for him."

Our class sponsored a skating party in November at Indian Lake. We're really proud of our Girls' basketball team which came in second in the Shelby County Tournament.

I really liked the 7th Grade this year. We did a lot of things.  
We really had fun in Ms. Cunningham's class. Our 7th Grade presented a Christmas play for the elementary school and it was a great success even though the Christmas tree fell down.

Mr. Pirman took us to the Ohio Historical Center in Columbus and I think we all enjoyed it. The members of our class enjoy athletics, especially basketball and playing dodgeball in gym class.

"Pause" Advisors —  
Miss Newlon and Mrs. Shoffstall

Producing a school newspaper isn't as easy as it seems, and due to a small staff we didn't get as many editions out as we would have liked. We were especially proud of the editions we did produce.

"Pause" editors were Dana Snider, Monica Cagle, and Gladys Gerber. Advisors are Mrs. Shoffstall and Miss Newlon.

Our "Pause" editors also prepared articles for "The Advertiser" this year.

# ANNUAL STAFF

Mrs. Sailor and Dana

*Time, patience, satisfaction, enthusiasm and anticipation* are all words that exemplify the feelings of our '77-'78 Annual Staff. From the beginning to the end, this book you are reading contains each of the above words. Working as hard as we do brings us closer not only to each other, but to our advisor, Mrs. Sailor, without whose help this annual would not have been possible. Co-Editors Dana Snider and Sandy Zimpfer would like to thank her for all the time and help she put forth. Our Assistant Editor was Bev Steenrod and Business Editors were Kent Gorsuch and Terry Johnston.

This year began a concentrated effort by F.H.A. on all 3 levels — local, state and national — to change the image of the organization. Many changes have been implemented: 1. The idea that F.H.A. is a group of girls cooking and sewing is on its way out!; 2. F.H.A. has become service oriented; 3. F.H.A. strives to offer services to charities and some of our dues go toward international charities and research. Our biggest charity is Children's Hospital. Our new yearly project is the Cystic Fibrosis Bike-a-thon. Last year, with the help of the good people in our school and community we raised over \$730.00. We also help with the Cancer Fund Drive.

## VOICE OF DEMOCRACY

Sponsored by the VFW, this is a contest in which you present a speech on "My Responsibilities As An American." First place went to Dana Snider. Gladys Gerber was runner-up. Dana's speech went on to District Competition, where he received second place, over a total of 628 other speeches. It is the first time a student from Jackson Center has ever placed in District.

 all the standards under which  
 election into the club was made.

Each Senior member of the Office Practice class devoted one of their study hall periods this year to working in the high school main office. The girls served as receptionists in the office and performed various duties such as greeting the public, answering the telephone, typing material from the office, and running errands for Mrs. Mann and Mr. Hunter. This was a learning experience for the girls as they will encounter similar duties in their future years as secretaries.

Shelly, Lori and Ruth helped to compile absence lists.

Teresa and Kathy assisted as file clerks.

Lori, Darcy and Patty were office receptionists.

## AS SCHOOLS MATCH WITS AND ACADEMIA

The Academia Team consists of the ten best academic students in the high school who must have the best scores on a pre-season test given by Mrs. Neeley.

The team had six matches this year. Having a young team this year, it was considered to be a building year.

Match questions are selected from 8 subject areas — science, math, language arts, general knowledge, vocational, current events, social studies, and fine arts.

The As Schools Match Wits Team played Miami-Valley High School. The match was taped November 19, 1977 at Dayton Channel 22 and was shown on Sunday, December 11, 1977.

## *GIRLS BASKETBALL*

Poor weather conditions played havoc with scheduled practices and games this year — 5 were eventually cancelled.

However, once the season got rolling, the team won four out of their last six ballgames and advanced to the district semi-finals where they lost to Fairlawn 45-43. The overall record for the season was 6-10, with 5 of these games being lost by a total of 10 points.

Being a young team with only two graduating seniors, the hopes are high for a successful season next year.

In the first year for Girls' Junior High Basketball, we were very pleased with the progress of the girls who recorded 3 wins and 6 losses. The highlight of the season was defeating Anna in the first tournament game 27-25.

The 7th Grade had a record of 3 wins and 4 losses. The team demonstrated much improvement as the season progressed. Emphasis was placed on basic skills — dribbling, passing, shooting, rebounding and defense. The girls are looking forward to a much improved season next fall.

With only one senior returning from last year's squad, the golf team was very young and was hoping to rebuild by gaining some match experience. The team worked very hard in practice and played a lot of matches early in the season. The hard work paid off as the team compiled a 16-3 match record and went undefeated in the County league and tournament to win the Shelby County Championship. Senior Kerry Scoggin closed out a fine career by setting a school 18 hole scoring record (78), winning the Shelby County individual championship, and qualifying for the District Tournament. Kerry was selected as the Most Valuable Golfer and Kent Gorsuch was selected as the Most Improved Golfer.

NATURE'S PRODUCTION. . .

# THE BLIZZARD OF '78

Some cars were buried.

Students had fun sledding down high snow drifts.

Climbing drifts was fun!

Mrs. Mann's house? It must be — there's the chimney!

Terry Johnston tackled an almost impossible task.

Early in the morning of January 26, 1978, Mother Nature visited the area with 70 MPH winds and "about" ten inches of snow, which accumulated in drifts high enough to bury houses and cars. Jackson Center residents will long remember this blizzard and its effects on our lives.

Could this be N. Main St.?

As the 1977-78 school year approached its end, our students were occupied by spring sports and many other varied events.

In April we were entertained by the professional football players from the Bengals and Steelers. In May, we enjoyed many events including the Prom, Afternoon With the Arts, the Awards and Senior Assemblies, and were entertained by the speech class when they presented a play, *Snowy White and the Seven Dwarfs*.

As the hot summer days approached, we went outside as much as possible and had our last views of the Haas building, which was soon to be leveled by a wrecking crew.

Student speakers were: Ty Lotz, Vice President of the Senior Class; Kirsten Lerstroem, who spoke about the experiences of being an exchange student; the Valedictorian, Dana Snider, and the Salutatorian, Kathy Kossel.

Guest speaker for the ceremonies was Congressman Tennyson Guyer.
